# Garvinea. CHEEKY SERIES

## Cheeky mini flowers and high flower count

The Garvinea® Cheeky has a compact foliage and shows its cheeky mini flowers from Spring until Frost. This series is suitable for cultivation in smaller pot sizes compared to other Garvinea® Series. The strong Garvinea® genetics form the basis of this uniform plant.

Don't be misled by the cuteness, because the Cheeky Series has the highest flower count of all Garvinea® Series.
