For over 35 years our family business has been an expert in producing, preparing, trading, and marketing flower bulbs and perennials.

Colourful packing up your business

Family business since 1989

Since 1989 we've built a business, which today we're very proud of. We currently work with over 29 colleagues at our production site in Rijsenhout. Our core values are:

We are respectful and engaged.

We show respect for each other and for our customers. We work together every day at our sustainable production site in Rijsenhout. In our production site, we develop creative flower bulb concepts and annually export over 75 million flower bulbs and 6 million perennials to more than 40 countries worldwide.

We are transparent and aim for success.

We believe in transparent communication with our customers and with each other, but we are also ambitious. We think proactively about our customers' challenges and work with many stakeholders to pursue success. That is why we are there for each other as partners and as colleagues. Getting a job done on time? That's when we roll up our sleeves right away to meet the deadline.

Focus on quality control

Quality control and working with the best, certified growers in our market. We set high standards for the quality of our bulbs and perennials. To independently monitor and guarantee this quality, Kébol is certified for several quality marks within our market. Our flower bulbs and perennials are exported worldwide, supplied with proper phytosanitary documents and having undergone required inspections.

Our mission

Sharing your passion in horticultural products & concepts

with expertise to grow & show top quality

Amaryllis specialist

Market leader in producing and trading in amaryllises. Creative concept developer for retail, mail order and wholesale.

Chain partner

With more than 35 years of experience, from breeding and cultivating to marketing flower bulbs, we are dialogue partners for the entire chain.

Sustainable operations

Packs of flower bulbs in 100% recyclable & compostable paper, and a sustainable production site equipped, for example, with 392 solar panels (800 m2).

International focus

Exporting more than 75 million flower bulbs and 6 million bare root perennials a year, worldwide to more than 40 countries.

Sustainable locations

At our modern production site we work with a focus on the environment and our surroundings to ensure sustainable operations. With nearly 400 solar panels, we meet almost our own entire energy needs. We also apply sustainable methods for cooling our cold rooms using natural refrigerants. We use the People-Planet-Profit principle as a guideline for making sustainable choices. Every business decision involves weighing the social and economic impacts. This makes us more aware of the impact of our operations. Every small step we take is a contribution to the bigger picture.

My Kébol

'My Kébol' is now available on our website! With My Kébol you log in to a special part of the website, which has been set up for you, our customer. Here you have the option to place an order and download images from the gallery to use in your communication. We will continue to update My Kébol with new content.

Discover the many advantages of an online account:

- Order quickly and easily
- View order history
- View available stock
- Download beautiful images in high resolution

New: the assortment is now available in high volume!

In addition to our unique range of plants with order quantities ranging from 5 to 25 pieces, the complete assortment will also be available in **full boxes**. Perfectly suited for larger growers!

Ordering

For best availability please order early.

Our order deadline is **July 30th**. Although we do accept orders after this deadline, the selection will be more limited and some varieties will be unavailable.

An acknowledgment will be mailed to you as soon as we have processed your order. All orders are subject to crop conditions. We have a long growing season and many unforeseen problems may occur which can damage crops and thereby reduce the amount of plants available. Every effort is made to fulfill orders, but the availability of a particular variety cannot always be guaranteed until we begin shipping. Therefore, we may have to cancel some items from your order at a later date.

Please check your orderform for multiple quantities for all products.

Pot tags

For all catalogue items, **pot tags are only shipped upon request**.

You can request tags for your complete order by checking the relevant box on the order form. Please review the tag costs on your order form. Tags will be attached to the bags with plants.

For the following items the tag multiple is one tag per three corms. *Convallaria majalis*, *Crocus* and *Liatris* (except for Kobold).

Each tag includes full English descriptive information and notes on care and usage.

Upon Arrival

- Open all boxes and bags immediately upon receipt
- Let the roots/shrubs thaw out slowly
- Check the condition of the roots/shrubs in the boxes
- If you notice any damage, please contact your sales rep within 7 days
- Items that cannot tolerate storage should be planted immediately

Planting

- Do not plant roots that are still frozen
- Handle the roots with great care to avoid breaking of buds
- Check rhizomes before planting and discard any soft rhizomes
- Don't let roots dry out during potting
- How to plant the roots/shrubs: the plant table will provide guidance

Soil

- It is necessary to use a well-drained potting soil
- Firm the soil around the roots: prevent air pockets

Watering

- After first time watering wait till the plants emerge before watering again
- During growth, water as needed
- Overwatering, or allowing the soil to get soggy, can cause root rot
- Use your grower skills to closely monitor the growing

Greenhouse conditions

- Best temperature to start cultivation: the plant table will provide guidance

Claims

- Concerns over delayed or damaged shipments must be reported on the carrier's bill of lading in order to be considered. Please report your concerns to your sales rep immediately
- We guarantee that all plants are true to name and of good quality when shipped. Any quality concerns or shortages must be reported to your sales rep within 7 days of receipt of the order to be considered. For any product claims or disputes, we shall be held liable for the plant cost only, and in no case shall we be liable for any cost greater than that. If you receive plants that are non-viable or did not break dormancy, you have 60 days to submit a claim for it to be considered.

Enjoy Your Purchase

Last but not least, enjoy your new purchase! We hope it exceeds your expectations and adds value to your business. Remember, we're just a message or phone call away if you need any assistance.
