ABOUT US

We are a Guatemalan company passionate about our country, culture and nature.

We produce and commercialize ornamental plants, continually aiming to build a value based legacy that will generate a significant impact in Guatemala.

Our relations are based on trust and mutual learning.

We are Palki.

We grow with you.

VALUES

In each interaction, collaborator and process Palki is identified by the following values:

CHANGE MAKES US STRONGER

WE AIM FOR EFFICIENCY

WE ARE HONEST

WE ARE PROACTIVE

WE RESPECT HUMAN BEINGS AND NATURE

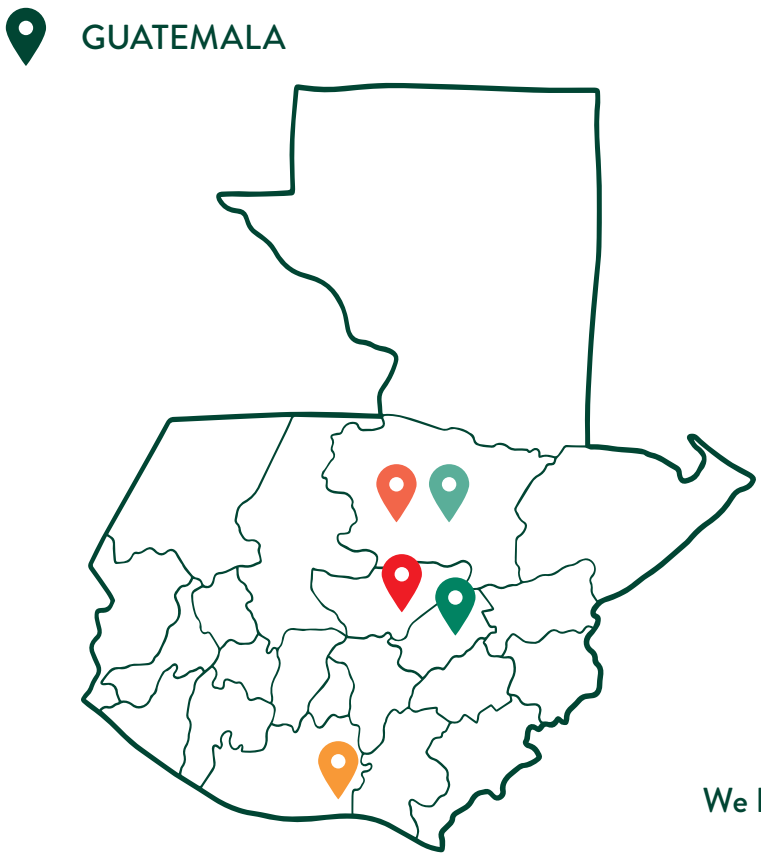

PURPOSE

We believe in the production of tropical ornamental plantas as means of human and economic development for all the Palki chain, this is our commitment with Guatemala.

VISION

Become the first option in sustainable production of ornamental plants in Guatemala.

FARMS LOCATION

- IZOTERA FARM 
- SALAMA FARM 
- CUYUTA FARM 
- SOSTEN FARM 
- WOOD FARM 

We have two farms growing pine trees to balance the consumption of wood used in our packing.
